SWITCH YOUR BRAND ON

At BARRON, we believe in providing the best products for your brand to tell its story. That's why when it comes to quality, service and price, we're always able to switch your brand **ON**.

The BARRON Philosophy:

ON is up.

ON is right now.

ON is upbeat.

ON is can-do.

ON works.

ON solves.

ON builds.

ON serves.

"ON" is your brand.

Switched **ON**.

BARRON. Switch your brand **ON**.

BARRON serves to help build brands, which is why we consistently build **ON**, grow and enhance our product offerings. Our **ON** going approach to empowering you with the best solutions has led us to introduce a 360 degree Brand-Able® solution for your business.

Barron is strictly distributed via authorized distributors namely, promotional and event companies, as well as advertising agencies and independent resellers.

* All brands and logos, other than those of Barron, depicted in this brochure are used for the purpose of visual presentation only and remain the sole property of the relevant companies, organisations to which they belong.

SWITCHED ON

The BARRON website is switched **ON** to your needs, which is why you will be able to find exactly what you are looking for **ON** our website, in just a few simple clicks or swipes and you can rely **ON** helpful hints and tips to guide you **ON** your way. BARRON is always there for you, **ON** screen, **ON** tablet and **ON** mobile.

ON WEBSITE FEATURES

- Find products to suit your brand with quick and easy **ON** product search tools.
- Create a virtual sample of your brand **ON** any product.
- Create your own catalogue with any BARRON products of your choice.
- Create and email an **ON** product spec sheet.

ON BRANDING

BARRON consistently strives to deliver perfectly branded products **ON** time and **ON** target to bring your brand to life.

E

EMBROIDERY

Embroidery is stitched with a computerised embroidery machine using patterns digitised with embroidery software.

SP

SCREEN PRINT

Screen printing is a printing technique whereby a mesh is used to transfer ink onto a substrate.

HP

HEAT PRESS

Heat press is imprinting a design or graphic on a substrate, with the application of heat and pressure for a pre-set period of time.

**DYE
SUB**

DYE SUBLIMATION

Dye Sublimation is digitally printed on a coated paper and then transferred to fabric. This application only works on 100% Polyester fabrics.

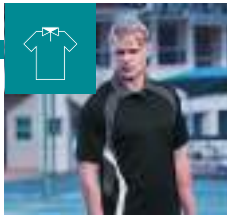

Each product has a suggested branding method icon, these are suggestions of the best branding method to use for your products.
